

Risk Warning

Trading derivatives carries significant risks. It is not suitable for all investors and, if you are not a retail client, you could lose substantially more than your initial investment. When acquiring our derivative products, you have no entitlement, right or obligation to the underlying financial assets. Past performance is no indication of future performance and tax laws are subject to change. The information on this website is general in nature and doesn't take into account your personal objectives, financial circumstances, or needs. Accordingly, before acting on the advice, you should consider whether the advice is suitable for you having regard to your objectives, financial situation and needs. We encourage you to seek independent advice if necessary.

You should consider whether you are part of our target market by reviewing our Target Market Determination (TMD), read our Product Disclosure Statement (PDS), and other legal documents to ensure you fully understand the risks before you make any trading decisions. We encourage you to seek independent advice if necessary.

Website Disclaimer: The information on this website is for Australian residents only. Any translation of this website we may provide is for the purpose of assisting our local clients with non-English speaking backgrounds.

The information on this website and all matters relating to it are governed by and are to be construed according to the laws applicable in the State of New South Wales and the Commonwealth of Australia (Australian law).

Though this website may be accessed from outside Australia, the use of this website and the services of STARTRADER PRIME GLOBAL PTY LTD are not intended for residents outside Australia or by any person in a country or jurisdiction where such distribution or use would be contrary to local law or regulation.

*30:1 leverage applies to FX majors only. Other CFD products carry lower leverage limits in compliance with ASIC's Products Intervention Order.

**International bank wire transfers may incur fees charged by your financial institution.
Please check with your bank for more information.
